

Nicolas GAUDENZIO, Ph.D. (Immunology)

UMR 1056 UDEAR, INSERM - Toulouse III University | Hôpital Purpan, Place du Dr Baylac - TSA 40031, 31059 Toulouse - France | Age: 33 | Gender: male | Nationality: French | Number of children: 2 | Trilingual: French, English, Spanish | Phone: **+33(0)561158426** | Fax +33(0)561158404 | Email: **nicolas.gaudenzio@inserm.fr** |

Statistics: Total documents: **24** | **4** as senior author, **9** as 1st author and **11** as co-author | **18** Primary Research Articles, **2** Reviews, **1** Editorial, **1** Commentary and **1** Patent | *h*-index: **10** | Total citations: **370**

1- EDUCATION

2014 - 2016 **Stanford Business Studies** - Big Data management and Startup Creation

2009 - 2012 **Ph.D. degree - Immunology** - Toulouse III University - France.

2008 - 2009 **Master 2 Research** - Immunology & Infectious Diseases (*Ranked 1st*) - Toulouse III University

2004 - 2008 **Bioengineer** - Biotechnologies Applied to Health (*Ranked top 10%*) - Toulouse III University

2- PROFESSIONAL EXPERIENCE

From 2018 CRCN INSERM Principal Investigator – ATIP Avenir/ERC Starting – Neuro-immunology
UMR 1056 (UDEAR) INSERM - Toulouse III University, France

From 2017 Scientific Expert of the Piloting Comity - Toulouse Purpan Imaging Facility France

2017 - 2018 Europe Marie Curie Label – Young Group Leader – Neuro-immunology/Allergy
UMR 1056 (UDEAR) INSERM - Toulouse III University, France

2013 - 2017 Stanford University - Postdoctoral Fellow - Immunology/Allergy
Stanford School of Medicine, Pathology Department, Galli Lab, USA.
Mentor: **Pr Stephen J. Galli** (sgalli@stanford.edu).

2014 - 2017 Scientific Expert in Imaging Technologies - Stanford Department of Pathology, USA
Responsibility: I supervised the purchase and installation of confocal microscope systems.

From 2016 Co-Founder at www.ePONC.com
I initiated the creation of “ePONC”, a *non-profit start-up* that creates the bridge between young biomedical field experts and biotech companies in the region of San Francisco, USA.

2012 - 2013 UMR 1043 CPTP - Postdoctoral Fellow - Immunology
UMR 1043 INSERM - CNRS - Toulouse III University, France. Mentors: **Pr S. Valitutti** (salvatore.valitutti@inserm.fr) and **Dr E. Espinosa** (eric.espinosa@inserm.fr).

3- TEACHING ACTIVITY

From 2017 Assistant Lecturer (~ 80 hours of teaching)
Immunology and Research to Medical Students at Toulouse School of Medicine, France.

2009 - 2013 Assistant Lecturer (~ 120 hours of teaching over 5 years)
Immunology and Research to License and Master students at Toulouse III University, France.

4- DISTINCTIONS AND AWARDS
